INNOVATION HORIZON EVENT

UPSKILLING THE WORKFORCE OF THE FUTURE

An exclusive evening event hosted by E.ON and Bluemorrow

Date: June 17, 2025
Location: Energy Club, E.ON SE, Brüsseler Platz 1, 45131 Essen

↗ What to Expect

We are pleased to invite you to an exclusive event focused on **upskilling the workforce in the age of AI and digital transformation**. As technology advances at unprecedented speed, companies face growing pressure to adapt skills, mindsets, and structures.

Join senior HR, IT and transformation leaders from different companies and industries to discuss the latest **trends, challenges, and best practices** in preparing today's workforce for tomorrow's demands and managing the organizational transformation at the intersection of digital and HR. Together, we will explore what it takes to stay ahead—and how to turn transformation into opportunity.

↗ Agenda

16:00–16:10	Welcome and Intro by E.ON and Bluemorrow
16:10–16:30	Impulse speech: Dr. Alan Cabello, Co-Founder Sparkademy Learnings from science-based, digital upskilling
16:30–17:30	Expert Roundtables
17:30–18:00	Group Learnings & Takeaways
18:00–18:15	Closing Remarks & Wrap-Up
18:15–19:00	Networking Reception
19:00 Onwards	Exclusive Dinner (limited seats, by prior registration)

↗ Why Attend

This is an opportunity for **digital and HR strategists, innovation executives and transformation leaders** to connect with peers, gain foresight into critical trends, and discuss best practices to upskill the workforce. Secure your spot and be part of the conversation shaping the workforce of the future.
